To Whom It May Concern:

I am pleased to write this letter of recommendation for Ms. Abrar Ebrahim for a teaching position with your school system. I have worked with Ms. Abrar for the past 3 years and we have collaborated multiple times during this period.

Ms. Abrar has clear focus and educational priorities. She has done a wonderful job teaching our students English and Drama as well as building the Week Without Walls program at the Al Bayan Bilingual School. Ms. Abrar made a significant impact on the learning curve of her students by tying the Week Without Walls and Drama programs to our school curriculum. The results have been remarkable. The Week Without Walls group has travelled to England where they toured and explored historical sites related to multiple curriculums at our school. The Drama productions under Ms. Abrar have also been well planned, directed, and executed while in her charge.

Ms. Abrar spends many hours each school year supporting the students as they participate in the various athletic offerings at the Al Bayan Bilingual School. She's courtside for many home games and shows great enthusiasm about being there to support the students. She is loved by her students and respected by her peers.

In closing, I recommend Ms. Abrar Ebrahim without reservation for a teaching position at your school. She is an exemplary educator and an excellent coach. If I can be of further assistance, please do not hesitate to contact me.

Sincerely,

Zachary Slayton, Ed.S.
